Jason - lets do both - you call Scott and we can bring up at the weekly meeting tomorrow and/or next Tuesday.

Some quick off the top of my head ideas:

Deliberative Process / Ex. 5

Other initial ideas are welcome

Subject: HEI Annual Meeting Planning

Hi All,

I heard from Katy Walker today. HEI is stating the process of planning their annual meeting – they are having their first meeting this week. She asked if EPA had any thoughts on potential sessions that we would like to see. I was going to set up a meeting with Scott, but wanted to get your thoughts on whether we should maybe expand it a little and possibly devote a half hour of the weekly managers meeting you have with OAQPS to this topic? Maybe next week? I'd like to get them some initial thoughts by the end of next week.

As an alternative I can just talk to Scott for now. Let me know what you think.

Jason
